

Hello, I am Pat Jennings. My wife, Martha, and I came back to Michigan from Washington DC because the Upper Peninsula is a great place to live and raise our children. We feel that we have been blessed to be able to raise our family here and I want to have the opportunity to give back to the community.

Before my legal career, I flew on helicopters for the U.S. Coast Guard, went to college and taught mathematics at the University of Alaska. As far as I know, I am the only person to teach a calculus class north of the Arctic Circle.

I have had a private law practice since 2000 representing people ranging from toddlers to senior citizens. My most satisfying accomplishments are those in which my work has had a favorable effect on families and I want to continue have a positive influence as your probate judge.

When I take office in January, I will ask for your support and your prayers to help me maintain the same level of judicial professionalism that we enjoy in Marquette County.

Come and meet me at the Vierling Restaurant on Weds, July 25 from 5 to 8 pm. I hope to see you there.

Thank you.
